

Zubair Ahmad

LARAVEL Web Developer

PROFILE

Hello dear sir/madam!

Myself Zubair Ahmad. I'm professional web developer, Also I've strong experience in laravel and PHP. I've strongly confident to build a professional website in different categories. For instance, E-commerce, Landing Pages, portfolio, Restaurant and Clinic websites etc. I've massive knowledge about web designing and development through last two year. I'm capable to understand customer needs and requirements as well as i can evaluate your idea into reality. Looking forward for your response.
